Why Foremost Currency Group?

We could tell you what makes us stand out from other currency providers, but we'd rather you heard it from the people who know us best – our customers.

"Without their help and guidance we feel we would not have got such an excellent exchange rate. It really saved us a substantial amount of money which we will now put towards the purchase of furniture for our new home in France."

Mr & Mrs Bello

"Don't leave it until the last minute. The sooner you speak to Foremost, the more time you have to secure the best rate. We saved over £11,000."

Case studies

Mr & Mrs Ward, France and Forward Contracts...

The Wards bought a renovated farmhouse in the Charente, France.

After talking to their broker about their requirements they decided to use a Forward Contract to fix the exchange rate so they'd know exactly how much their property would cost.

The market moved after they fixed the rate, so using the Forward Contract saved them over £11,000.

"Access to expert market knowledge and having one point of contact from start to finish was a real benefit. We saved more using Foremost Currency Group than we did in negotiating the property price."

Mr Ward

Angela Peden, Florida and Regular Payments...

Angela Peden owns a villa in Florida which she visits regularly.

Making regular payments through her bank to cover maintenance and travel expenses proved time consuming, costly and unreliable.

Working with us has made the process straightforward and hassle-free.

"I use the online service to transfer funds. It's very simple and convenient. I get the best rates and have my own personal broker. I'd recommend Foremost Currency Group to anyone."
